

Undergraduate students who register Graduation Research II / Undergraduate Thesis
Academic Office

Application to Re-take Graduation Research II / Undergraduate Thesis

Students who receive an F grade in Graduation Research II / Undergraduate Thesis can apply through the Academic Office (during the Grade Inquiry period). If the course instructor approves their application they can re-register for the course in the next semester.

This also applies to students who do not re-register for the course for one or more semesters after receiving an F grade for the course. (For example, it is possible a student may receive an F grade in Undergraduate Thesis in their 8th semester, not register for the course in their 9th semester, and re-register the course in their 10th semester, but they can still be approved for re-registration.)

If you want to re-register Graduation Research II/ Undergraduate Thesis, please make Application to Re-take Graduation Research II/ Undergraduate Thesis and send it to seminar1@apu.ac.jp.

Deadline to Submit: by the end of the Grade Inquiry Period. (Strict deadline. Must be submitted by 12:00 (noon) JST on the last day of the grade inquiry period.)
