Notes:

1. Complete this table for the full-time faculty in each affiliating body (college, graduate school or other body).

However, if liberal arts education is conducted on a university-wide basis by faculty members affiliated to the colleges, remove those faculty members from the tables for the colleges and create a separate table for them based on the college table format.

2. Be sure to include percentages in the cells below the cells marked "Total".

[University Notes]

1. The President is not affiliated with any of the colleges or centers, but is included under the College of Asia Pacific Studies (as a professor) for the sake of convenience.
