Note:

- 1 Please prepare data for the academic year prior to the academic year preceding the implementation of the university evaluation.
- 2 Prepare in the following order: issued to colleges & graduate schools, issued to colleges only, and issued to graduate schools only.
- 3 For "Number of Eligible Recipients (A)," enter the actual number of students who were issued a scholarship grant or loan.
- 4 For "Total Number of Current Enrollees (B)," enter the total number of students eligible to be issued a scholarship grant or loan in accordance with the scholarship type.
(For example, for scholarships aimed only at undergraduate students, the total number of enrolled undergraduate students; for scholarships aimed at international students, the total number of international students.)
- 5 Also enter scholarships issued by the Japan Student Services Organization (JASSO) as external scholarships.

[Notes by the university]

- 1 The following data was used for "Total Students." * As of November 1, 2018
Total Students (undergraduate + graduate students): 5,686 (Of which are international students: 2,857)
Undergraduate students: 5,471 (Of which are international students: 2,649)
Graduate students: 215 (Of which are international students: 208)
- 2 Scholarships marked with (*) are tuition reduction scholarships, which are issued in accordance with entrance exam policies and continue after enrollment, making them the largest in scope. In this report, we have listed the necessary data (student numbers and total issued amount) to reflect the effect of the financial aid.
- 3 Scholarships marked with (*1) are aimed only at domestic students (Japanese citizens or foreigners with a status of residence other than College Student).
- 4 Scholarships marked with (*2) are aimed only at international students
- 5 Recipients include all students who received a scholarship or loan in AY2018.
