Notes:

- Complete this table for the full-time faculty in each affiliating body (college, graduate school or other body).
Full-time faculty whose lecture teaching hours are "0" (due to sabbaticals or other reasons) should not be included in the table but indicated in the notes.
(e.g., *1 "Excluding one Professor on sabbatical")
- List the maximum, minimum and average teaching hours for each full-time faculty member of the university.
- Indicate how many minutes one teaching hour equals in the "Remarks" column. Teaching hours in this table do not refer to koma. If one koma is 90 minutes, write 45 minutes in the column.
- If there are no regulations on weekly teaching hours for professors, associate professors, assistant professors (tenured) or assistant professors (Jokyo), put a dash (-) in the "Responsible Teaching Hours" column.
- If a faculty member has a particularly large number of class hours or a particularly small number of class hours, indicate the reason in a column outside of the table.
- Subjects that are in place but which do not have any students shall also be included in the above table.

[University Notes]

*1. Excluding 5 faculty members in total: 4 on sabbatical/special academic duties (2 professors, 1 associate professor, and 1 lecturer) and the President.
